

## Arts Alive 2020

One of the perks of being a DLBA member is that you get to participate in one of the lower mainland's largest arts festival at no cost. Being a part of Arts Alive is easy — honestly. Except that you have to decide now if you are a part of it or not and here's why...

After 26 years of growing, this is one of the largest art festivals in the lower mainland, and the 130 available spots on the Fraser Highway one-way and in Salt Lane where the event is located, start to fill up in January of every year. As event organizers, hearing from you in July or August that you want to participate is near impossible to secure your spot in the main event area. So here's the deal:

As a business located in the BIA, it costs you absolutely nothing to participate, except a \$50 deposit that we will refund once you have fulfilled your commitment to be a street vendor on the day of the event. ALL businesses on and off the one-way can take part in this event, BUT, there are absolutely no guarantees that you will have a spot unless you provide us with your completed registration on or before May 31, 2020.

If you have never attended or heard of Arts Alive before, the DLBA staff will be happy to explain everything to you. We can also help you to come up with interesting ideas for your on-street location that may include raising money for a local charity, displaying your store merchandise or having an interactive booth with activities for the people who come out to the event. Historically, over 20,000 people attend this event, so don't miss out and get your registration form and deposit in to the office ASAP.
