

# LET'S TALK trash

Did you know?

Metro Vancouver has mandated that all **organic material** must be diverted out of the waste stream by **December 31, 2014**.

To help you get a head start, the Downtown Langley Business Association and Northwest Waste Solutions are offering a special opportunity to local merchants.

LEARN MORE ABOUT THIS OFFER >

## DOWNTOWN LANGLEY BUSINESS ASSOCIATION MEMBERS THAT TAKE ADVANTAGE OF THIS OFFER WILL RECEIVE:

- Full audit of current waste stream and recommendation of diversion at no charge
- Customized container labelling to enhance customer's image and deter graffiti
- Specialized lid lock bars at no additional charge
- Split and tri-bins to reduce the number of containers and to meet member's requirements for all materials
- Set group pricing giving members the advantage over standard rates

## NORTHWEST WASTE SOLUTIONS IS:

- Canadian-owned, local and the only waste disposal company that has their own organic composting facility
- Willing to work with individual businesses to determine what they personally want to divert out of the regular waste stream
- Offering special rates on landfill, and fixed fuel and environmental costs for five years
