Introduction

Business Associations have been established in communities across British Columbia as a way of bringing businesspeople together and working to make their individual Business Improvement Areas more attractive and successful. Businesses acting on the necessity to take charge of their destiny and turn the Langley Business Improvement Area (BIA) into a thriving business district resulted in the forming of the Downtown Langley Business Association, a registered non-profit society.

A BIA is a system that allows property owners and business owners, in a defined geographical area, to pool their efforts and funds for marketing, planning, promotions and management activities that can improve the business area.

Since the BIA's inception in 1999, the following achievements have occurred:

- Promotion and sponsorship of events such as the “Every Bloomin’ Thing” Plant & Garden Sale, “Downtown Street Sounds” Jazz and Blues Festival, Community Days Parade, Arts Alive Festival, Langley Good Times Cruise-In, the Langley Women’s Festival, Summer Sounds Busker’s Program, Open Air Sale, Fork & Finger, McBurney Plaza Summer Series, the Magic of Christmas Parade and City Summer Beats.
- Support of the construction of the Cascades Casino, Coast Hotel and Convention Centre, Timms Community Centre, and the development of a business relationship with these integral structures located within our downtown core.
- Development of a coupon book, door hanger, an “8 Reasons” marketing piece (25,000 copies delivered to targeted residential areas, tourism associations and hotels), a 16 page “Rediscover Your Unique Downtown” magazine (distributed to 23,000 homes plus an additional 5,000 copies distributed through hotels), a 16-page marketing publication titled, “The Confidential Diary of a Shopaholic”, (distributed to 30,000 homes in the Fraser Valley and provided as an on-line publication on the DLBA website), the production of a Business Welcome Kit, recycling guide, “Who’s Job Is It?” information piece, downtown parking map and a “Downtown Awaits You” brochure with copies distributed to new and existing businesses, target mailed and racked at Langley City and other locations as they present themselves.

- Development of a BIABC Award Winning Christmas Guide from 2008 – 2015 that was distributed to businesses and delivered to 30,000+ homes in Langley and surrounding areas.
- Implementation of a “Win This Window” contest from 2009 - 2012 (changed to “Win Your Wish List” in 2013 - 2017) that provides extensive advertising opportunities for participating businesses at little to no cost, which includes very successful cross-promotion amongst members of the business community.
- Cooperation and participation with Communities in Bloom.
- Ongoing and successful development of an area awareness marketing campaign.

Mission and Objectives

The Downtown Langley Business Association will achieve its vision of a thriving business community by acting in accordance with the spirit and intent of the following marketing plan. The specific details of the plan, its goals, objectives and activities reflect the beliefs of the DLBA and will be used as a mechanism to enhance the overall physical attractiveness of the business district, and to increase the economic activity of the businesses in the area.
